

Super Pizza Subs

6 submarine sandwich buns (about 9"), split
1/2 lb. bulk Italian sausage, cooked & drained
1 lb. shaved deli ham
1 can (8 oz.) pizza sauce
1 lb. sliced mozzarella cheese
1 medium onion, halved and thinly sliced
36 mild banana pepper rings
2 pkgs. (3 1/2 oz. each) sliced pepperoni
1/4 lb. thinly sliced hard salami

On bottom half of sandwich buns, layer sausage, ham, pizza sauce, cheese, onion, banana peppers, pepperoni, and salami. Replace tops. Wrap each sandwich in heavy duty foil; place on baking sheets. Bake at 425 for 12 - 15 minutes or until cheese is melted. Serve immediately.

Yield: 6 servings.

I'd say more pizza sauce, less onions, add Italian seasoning, substitute the onions for sauteed onions, add sauteed mushrooms, and toast the buns first.
